The DEA has considered the factors in **21 U.S.C. 823, 952(a) and 958(a)** and determined that the registration of the listed registrants to import the applicable basic classes of schedule I or II controlled substances is consistent with the public interest and with United States obligations under international treaties, conventions, or protocols in effect on May 1, 1971. The DEA investigated each company's maintenance of effective controls against diversion by inspecting and testing each company's physical security systems, verifying each company's compliance with state and local laws, and reviewing each company's background and history.

Therefore, pursuant to **21 U.S.C. 952(a) and 958(a)**, and in accordance with **21 CFR 1301.34**, the DEA has granted a registration as an importer for schedule I or schedule II controlled substances to the above listed companies.
